

Matched-instance action efficiency

Equal-weight mean across 9 environments · 871 matched executions

Fraction of matched
solved executions

Actions relative to planner (lower is better)

- Claude Code
- Codex
- GenPlan
- Planner (1x)

BalanceBeam

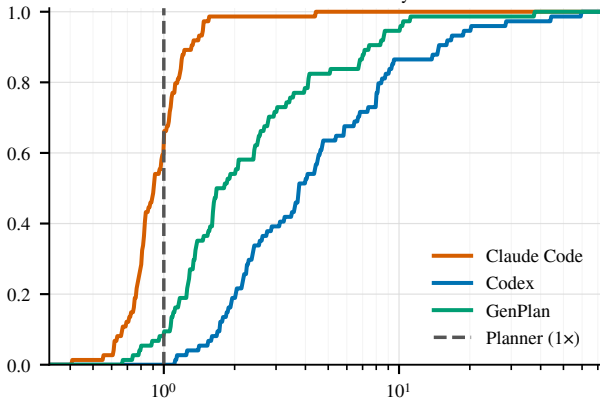

No four-method comparison available

Missing results: Planner

ClutteredRetrieval 2D

74 matched executions · 5 shared synthesis seeds

Fraction of matched
solved executions

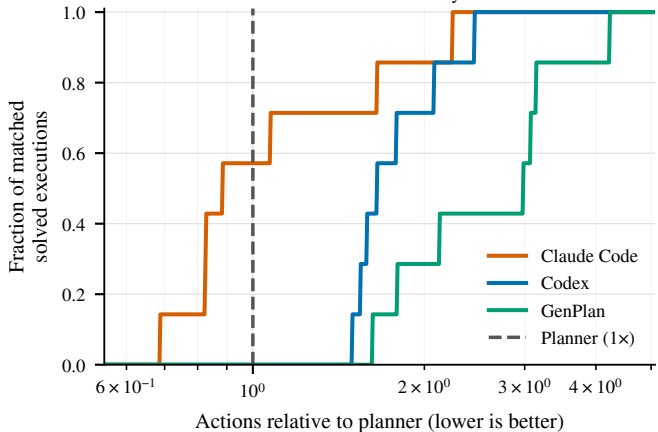

Actions relative to planner (lower is better)

- Claude Code
- Codex
- GenPlan
- Planner (1x)

ClutteredStorage 2D

7 matched executions · 5 shared synthesis seeds

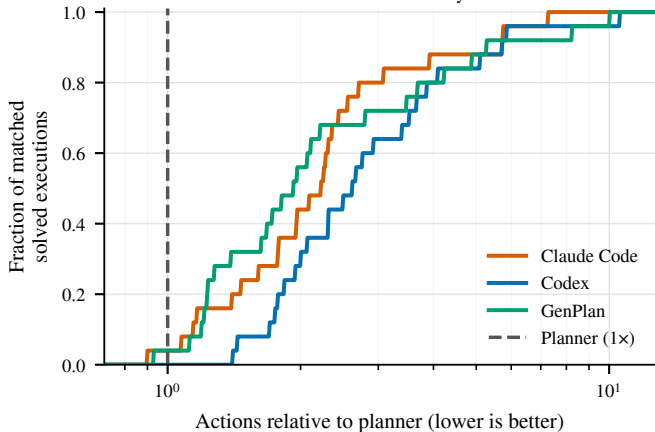

Constrained Cupboard

No four-method comparison available

Missing results: GenPlan, Planner

Dynamic Obstruction 2D

25 matched executions · 5 shared synthesis seeds

Dynamic PushPullHook 2D

No four-method comparison available

Missing results: Planner

Dynamic PushT 2D

No four-method comparison available

Missing results: Planner

Dynamic ScoopPour 2D

No four-method comparison available

Missing results: Planner

DynamicShelf

No held-out episode was solved by all four methods

All four methods share 5 synthesis seeds, but their solved-instance intersection is empty.

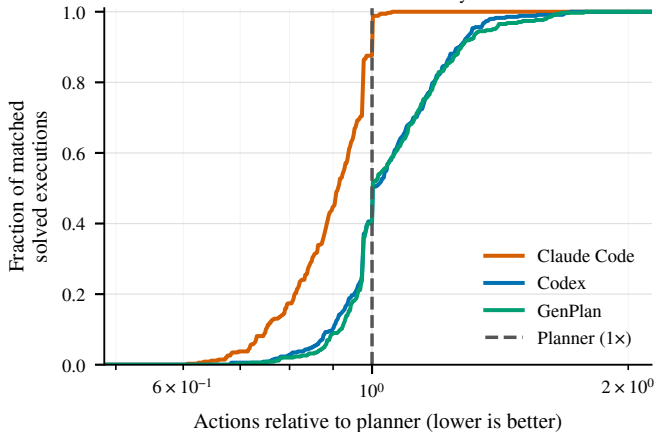

Dynamo

No four-method comparison available

Missing results: GenPlan, Planner

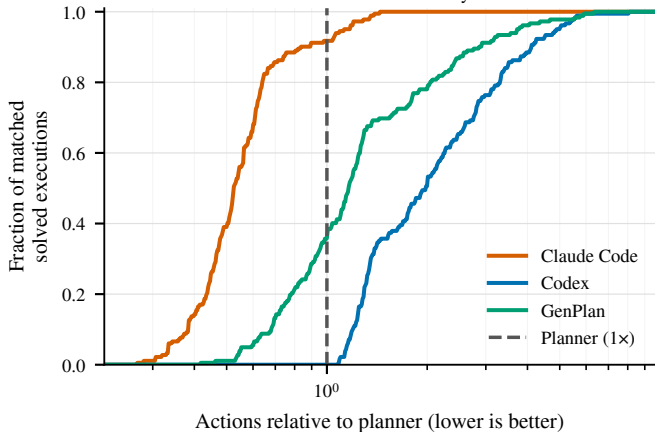

Motion 2D

345 matched executions · 5 shared synthesis seeds

Obstruction 2D

182 matched executions · 5 shared synthesis seeds

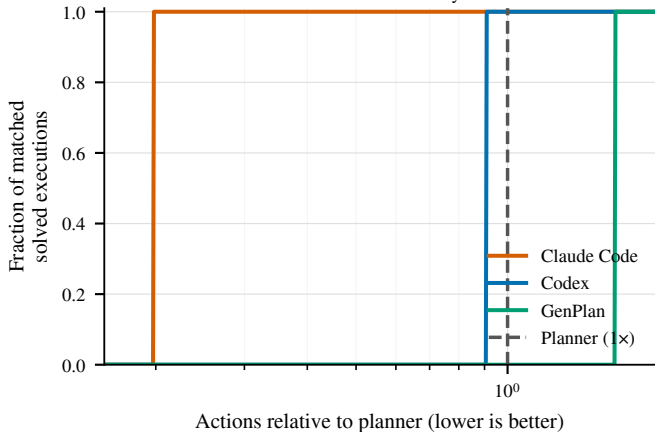

Obstruction 3D

No four-method comparison available

Missing results: Planner

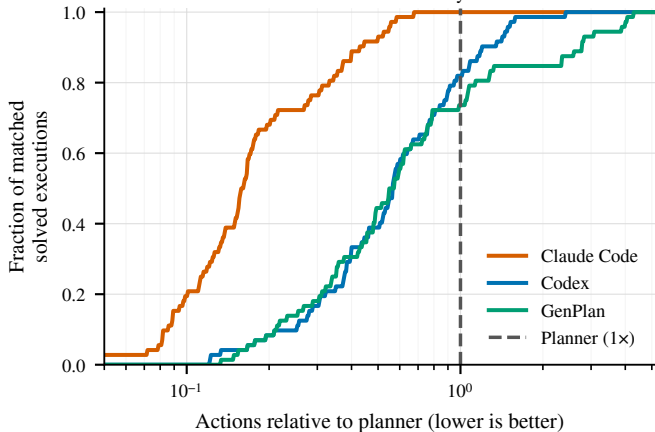

PDDLStream Blocked

1 matched executions · 5 shared synthesis seeds

PDDLStream Packing

72 matched executions · 5 shared synthesis seeds

PDDLStream Rovers

No four-method comparison available

Missing results: GenPlan

Packing 3D

No four-method comparison available

Missing results: Planner

PushPullHook 2D

No four-method comparison available

Missing results: Planner

Rearrange

No four-method comparison available

Missing results: Planner

ScoopPour 3D

No four-method comparison available

Missing results: GenPlan, Planner

Shelf 3D

No held-out episode was solved by all four methods

All four methods share 5 synthesis seeds, but their solved-instance intersection is empty.

SortClutteredBlocks

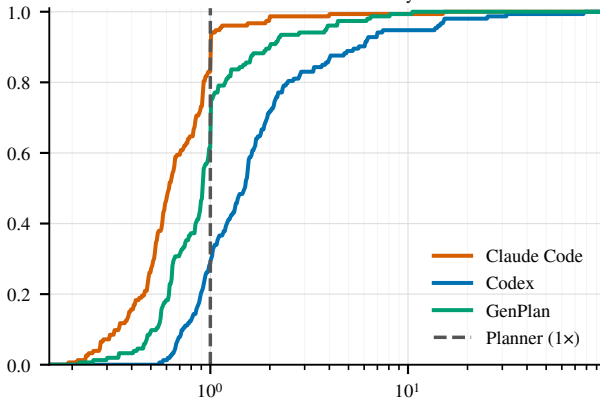

No four-method comparison available

Missing results: GenPlan, Planner

StickButton 2D

153 matched executions · 5 shared synthesis seeds

Fraction of matched
solved executions

Actions relative to planner (lower is better)

- Claude Code
- Codex
- GenPlan
- Planner (1x)

SweepIntoDrawer

No held-out episode was solved by all four methods

All four methods share 5 synthesis seeds, but their solved-instance intersection is empty.

SweepSimple

No four-method comparison available

Missing results: GenPlan, Planner

Table 3D

No four-method comparison available

Missing results: Planner

Tossing

No held-out episode was solved by all four methods

All four methods share 5 synthesis seeds, but their solved-instance intersection is empty.

Transport 3D

12 matched executions · 5 shared synthesis seeds
